

Emma!

Emma is a young Blue Lacy mix, a medium-sized dog. She is a genuinely happy dog who knows some basic commands like sit, down, and off. (She does everything better with treats of course!)

Emma loves to romp around with other dogs and has been great around kids. She also likes to lounge around the house or outside. She enjoys a good jog and would be a great running partner!

She has some separation anxiety and would do great in a home with a yard and other dog(s). It's tough for a pup when you're used to a whole pack of friends! Emma is looking for her fur-ever home and is hoping you are it!
